WOOSTER HIGH SCHOOL

Towering above most other buildings in town, Wooster High School stands proudly on the corner of Bowman and Quinby. Back in the 1800's, Wooster citizens raised the money to build this beloved school. Since then, we have added to the building structurally and we have continued the excellence in education. Many students have passed through the doors, many more to come. Throughout each student's 4 years here, many have acquired an excellent education, and many have come to love not only the building, but also the many people they have met here.

— Tina Miller

ALMA MATER

Oh come, let's sing our Wooster's praise,
And songs to Alma Mater raise,
And for the school we hold most high,
We'll raise our voices to the sky,
To her we pledge our hearts and hands,
And loyal to her each one stands;
Preserve her honor far and near
Because we love her, Wooster dear.

TIME OUT

It took that pause to make him realize
 The mountain he was climbing had the slant
 As of a book held up before his eyes
 (And was a text albeit done in plant.)
 Dwarf cornel, gold-thread, and maianthemum.
 He followingly fingered as he read,
 The flowers fading on the seed to come;
 But the thing was the slope it gave his head:
 The same for reading as it was for thought,
 So different from the hard and level stare
 Of enemies defied and battles fought.
 It was the obstinately gentle air
 That may be clamored at by cause and sect
 But it will have its moment to reflect.

— Robert Frost

The 1985-86 Homecoming festivities began on Thursday, Sept. 26 with the annual Homecoming parade. The WHS Marching Band led the parade of football players, cheerleaders, Homecoming attendants, and floats presented by each class through downtown Wooster and ended at Maurer field for the pep-rally.

While the judges decided on the placings for the floats, (the class of 1986 has won first place in the third consecutive year) the cheerleaders did their cheers, and the football mothers showed their cheering talent. But best of all the senior girls put on a great senior skit called "We Are The World, We Are The Generals" that described our awesome 1985 football team.

Before the game on Friday night the recognition of the court was announced. Junior Attendants were Beth Burdno and Michelle Knapp. Senior Attendants were Paula Parker and Leslie Vitallo. Homecoming Queen was Alicia Hawthorne. The Generals showed their fantastic shuffling abilities by hammering John Adams 44-6!!

The final night of the Homecoming activities was concluded with the Homecoming Dance on Saturday night. Music was provided by DJ. Greg Rumburg of the College of Wooster. The gym was decorated with rustic designs by the Speech Team.

The Wooster High School Student Council sponsored the second annual Coming-Home festivities. The Coming-Home festivities were designed to improve school spirit and break up the monotony of the winter months. The student body voted for the King and his court. At halftime of the final home basketball game, Senior Jeff Kapp was presented with a "W" sceptor and a royal

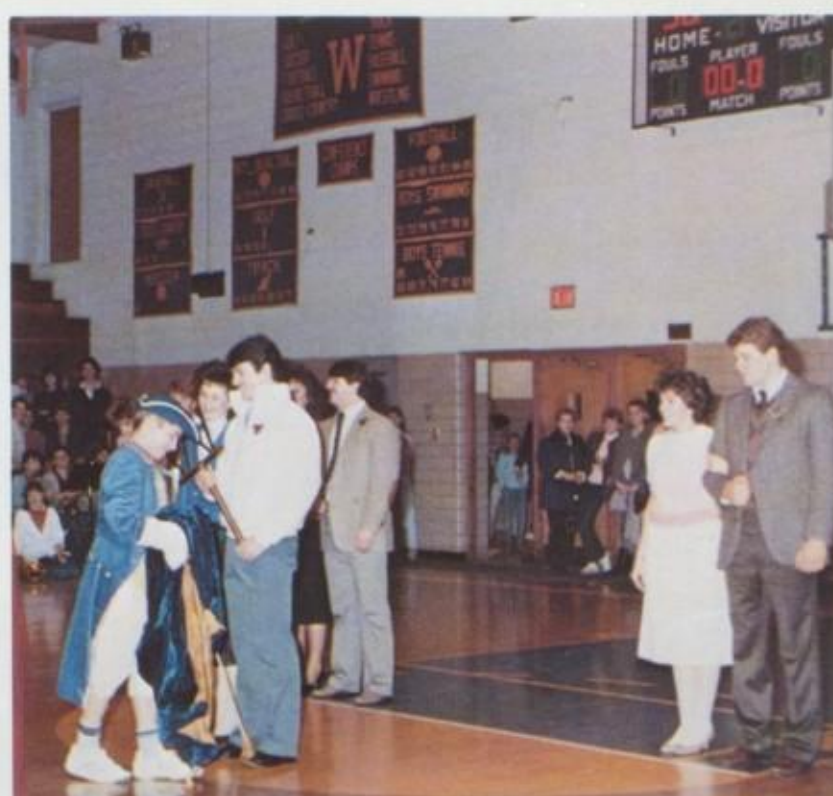

robe. Along with Kapp the court consisted of Seniors Doug Richmond and Ed Rooney. Junior royalty were Bo Steiner and Andy Weekley. The dance was highly successful. The Sadie Hawkins, semi-formal affair was held in the gymnasium. The decorations featured a disco ball and spotlights.

The Coming-Home court: Andy Weekly, Bo Steiner, Jeff Kapp, Ed Rooney, and Doug Richmond.

The second annual Coming Home game was a big success for the boys' basketball team. With an impressive 76-57 victory over Ashland the team recorded a perfect Cardinal Conference season with a record of 8 wins and no losses. The Coming Home game was the last home performance for Seniors Matt French, Darrin Nash, Gordon Neal, and Tom Rodgers. The victory over Ashland also enabled the Generals to finish the regular season with a record of 17 wins and 3 losses. The three losses came from a total of eleven points from North Canton Hoover, Mansfield Senior, and Orrville.

NOVEMBER 22, 1985

WEST SIDE STORY was one of the best performances that the Wooster High School Drama Club has ever put on. Everyone knows the story behind this musical, but Mrs. Combs was able to give the production a 'fresh' outlook.

The students worked long and hard, along with their adult counterparts, to put this fantastic production together. WEST SIDE STORY was performed November 21, 22, and 23 and the auditorium was bursting at the seams all three nights, with a first for Wooster — two standing ovations.

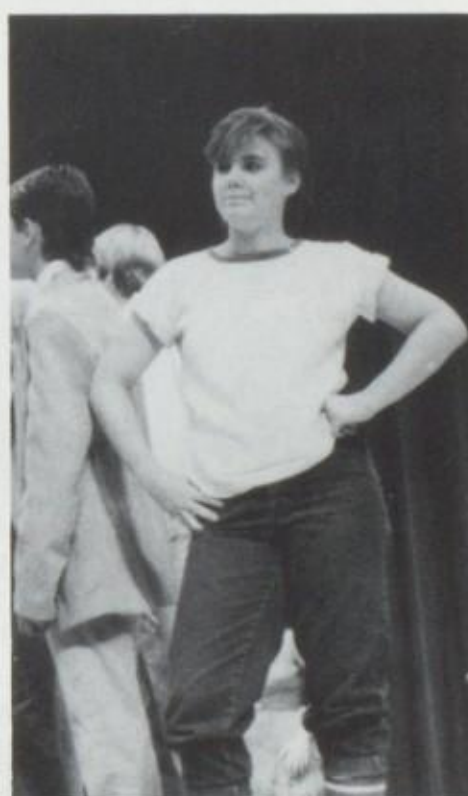

The Wooster High School Drama Club not only lived up to the standard of excellence that Wooster is accustomed to, but they created a new one that will be hard to live up to in the productions to come. Many community members were surprised at the talent that Wooster High students and faculty possess and remarked upon it. Our students deserve the encouragement and congratulations of the whole city.

CONGRATULATIONS!!!

"Fame, I'm going to live for-
ever".

This spring the Wooster High School Drama Club put on a production of FAME. Again the adults were portrayed by the faculty and the students were portrayed by our students. The play followed a few lucky students Doris (Nora VanLieu), Montgomery (Blake Bowden), Ralph (Nick Fynn), Bruno (John Glasgow), Coco (Jennifer Belmont), and Leroy (Kelly Snyder) and others from freshmen auditions through graduation.

FAME made everyone both laugh and cry, we all laughed at Mrs. Schwartz and Doris's audition to "The Way We Were", where Ralph proclaims he is 'God', and where Leroy skates on only to be stopped by Mrs. Sherwood who confronts him on his book report about 'The Best of Playboy'. And we all felt for the well developed characters when Doris helped Leroy to read "Welcome to the Wonderful World of Maytag Washers", when Montgomery told us his 'painful memory', and finally when Kelly told Mrs. Combs that "she was the only one that ever cared".

The Cast deserved the standing ovation they received Saturday night. We always will:

"remember, remember, remember, remember FAME"

as one of the

two fantastic performances of the class of 1986!

FOREIGN EXCHANGE STUDENTS

Wooster High School has been very lucky this year to have 8 students from foreign countries with us. Brazil, Japan, Turkey, Ecuador, Finland, Sweden, and Iceland represented the countries these students came from. Although language and cultural differences were hard to overcome, these students put their best efforts forward and enjoyed a very successful year away from their homes and families. These students have offered so much to our school, we will all miss them in years to come.

BRAZIL

An idea that seemed so far and that now it's a reality, to be an exchange student. In just a few hours you can be in a totally different country with no one that understands you. You need to build your world, your happiness. It's not easy, but the important thing is to believe that our dreams aren't just dreams. We need to believe in ourselves, because inside every one there is a very special person that sometimes we don't know. This way is long and every step that you take, every friend that you find is important. For it is people that make this a wonderful experience — I would like to thank them. Now you are a part of my life and I'm so happy for that. Thank you for everything. MONI (BRASIL)

My name is Mie Ozawa. I came from the North Island of Japan. I'm a Rotary Exchange Student. I'm so glad I could come to Wooster. I came last August, after I graduated from Japanese High School and I have to go back to Japan this August. But, I want to stay longer. I'd like to write about Japanese school. The Japanese school starts in April and ends in March. It is different between Japanese school and American school. We have regular schedules and school uniforms. And then, in we are prohibited to drive. If you want to take a driver's license, you have to finish school. There are many regulations there. In the end, thank you for everything. I'll always remember everything and everybody. See you again someday ... MIE (JAPAN)

TURKEY

I have come to this country this year. I'm finishing my high school here at Wooster, and then, I'm going to attend the College of Wooster in the fall. My brother and sister attended there also. I like Wooster, but I miss Turkey. It is very pretty there. I'm sure everyone would like it. EZRA (TURKEY)

School ends at 1:15 p.m. I came here to know the United States, it's language, people, customs, and I am eager to learn as much as I can of the United States. I will always have beautiful memories of my stay with you, especially at WHS!!! GISELLA (ECUADOR)

My name is Sami Paatero and I come from Finland (which is also called land of the ice-cubes and midnight sun). My year in "heart of all Ohio" was fun. Of course, I had some bad experiences, but most of the time I didn't have to worry about much. The year in school also was pretty good. I didn't have to work as hard as I had to in Finland, so I took this year mostly as a vacation. I really enjoyed my one year stay in the states and I want to thank all my friends who made the year better for me. I'll most likely come back (but, maybe NOT to Wooster.) SAMI (FINLAND)

different. For example, the school system. All these passes and papers you have to have when you want to go somewhere. And I have never before called a teacher by their last names. I want to thank all the great people who made this year a year I will always remember. ANNIKA (SWEDEN)

Hi! I'm Susie! I had a great year here. New people, places, and things to do. When I got here I felt afraid because I didn't know what to expect, but everything was fantastic. My experiences here were worth writing home about. When I go home to Sweden in July I'll be taking so many new ideas back with me, and I hope to have left a few behind. I'm glad I did it, and I can honestly say that one day in the future I will be back to visit. So until then, let the good times roll! SUSANNE (SWEDEN)

vik. I play chess, soccer, golf and badmitton. For entertainment over weekends we party and go to discos which are open until 3 in the morning. That's a ball. I come from a family of 7. 2 brothers and two sisters. I came to the states to learn English, see and live a different life and see the country. But most of all I want to see the Statue of Liberty. I like to do and see what I can. HAWK (ICELAND)

I'm Haukur Arnason from Iceland, but most of you know me as Hawk. Iceland is in the Atlantic Ocean in the Arctic circle. I came from the capital, Reykjavik.

PROM 1986

ONE NIGHT IN BANGKOK was the theme for this year's prom. The class of 1987 took many exhausting and frustrating hours to turn the gymnasium into a Bangkok street. Stores lined the street, and on the side, Chinese food and drink was available for the Juniors and Seniors who attended. The 1986 prom would not have been possible without the help of Mrs. Relda Smith and Mr. Ric Burdno, advisors of the junior class. Also, Cari Ackerman and Doug Glasgow helped to pull all the loose ends together. Many thanks and appreciation come from the entire school to the class of 1987 in it's fine efforts.

The Prom court for 1986: Chris Ginther, Tricia Hodges, John Schusselin, Jennifer Belmont, Todd Gallagher, Queen, Lorrie Karrenbauer, 1985 Queen, Lorrie Weyer, Mitch Zimmerman, Mike Shirer, Marda Wellington, Matt Smith, and Susie Morris.

GRADUATION

The 118th annual commencement activities were held at Timken Gym at the College of Wooster. Jon Detrow an anchorman from a Washington news station was the speaker for the ceremony. Board of Education's president, Bev Theil, handed out diplomas for the students, and Dr. Enderle, acting superintendent, awarded merit awards. The class of 1986 consisted of 3 merit finalists, 3 merit-commended students, and 3 appointments to the armed forces. The class also earned over \$500,000.00 in scholarships and awards. The class of 1986 can be very proud of all it's accomplishments and for their fine service to Wooster High School.

Wooster Exchange Students

Our Wooster High School Exchange Students have spent a lonely, exciting, entertaining, frightening, educational, and wonderful year abroad. Their experiences will live with them through their entire

lives. This year two very lucky, and very brave, students went away. They were Bret Danner, Finland, and Katherine Elwell, West Germany.

WELCOME HOME!!!!

My year in Finland as a Foreign Exchange Student proved to be both enjoyable and educational. I lived in a small town, SOMERO, of about 1500 people. My host mother and father had three sons, who kept me company. My High School had around 500 students. Classes were scheduled on a daily basis, with an outdoor mandatory 15 minute break between each for physical fitness. My stay was highlighted by side trips to Sweden, Russia, and Lapland, and a visit from my little sister. Someday I would like to return.

BRET DANNER

Katherine Elwell spent this past year in Hildesheim, West Germany, as a Rotary Exchange student. Hildesheim has a population of about 100,000 people. She attended high school there called a gymnasium (pronounced with a hard g). She learned to knit and ski. She lived with two different families and traveled to various places in Germany. She attended a Rock n' Roll class which seemed to combine gymnastics with dance. Her German has improved to the point of fluency, however, she can't speak English anymore.

Dr. John E. Boyer came to Wooster in the summer of 1985 as our new superintendent. He brought with him high hopes and energy to "REACH NEW HEIGHTS" for our entire school system. His efforts were felt by not only the schools, but the entire community.

Dr. Boyer lost a battle with cancer on December 31, 1985. His stay with us was short, but his positive influence will be long lasting. He will always be remembered for his love of working with students and dedication to the betterment of education.

S.A.D.D.

The 1985-86 school year marked the founding of our S.A.D.D. organization at Wooster High School. Stephen Gingery, founder and president, said that he started Students Against Driving Drunk for several reasons, but primarily for the safety of all students. S.A.D.D. advisors are Karen Leedy, Jim Swineheart, and Roman Majerczak. Here are the answers to a few questions often asked about the group:

WHAT IS S.A.D.D.?

S.A.D.D. stands for Students Against Driving Drunk — a name which now has meaning to thousands of high school students. S.A.D.D. does not condemn drinking, just drinking and driving.

WHY IS THERE S.A.D.D.?

- Injury from alcohol-related crashes is the number one health problem for teenagers today.
- Teenagers who drink and drive cause the deaths of themselves and others.
- In the 16-24 age group, 44% of all fatal nighttime crashes are alcohol-related.

WHAT ARE THE GOALS OF S.A.D.D.?

S.A.D.D. has four main goals.

1. To help eliminate the drunk driver and save lives.
2. To alert high school students to the dangers of driving and drinking.
3. To conduct community awareness programs.
4. To organize peer counseling to help students who may have concerns about alcohol.

WHAT IS DONE TO ACHIEVE THESE GOALS?

To implement the goals of S.A.D.D., a three step approach, involving school, community, and home, has been developed.

STEP 1: Implementing the S.A.D.D. curriculum at the school.

STEP 2: Passing out the Student-Parent (or other adult) Contract and Parent's guide to Parties.

STEP 3: Involving the community in these and other programs designed to address drinking and driving.

WHAT HAS OUR S.A.D.D. CHAPTER DONE THIS YEAR?

1. Sponsored the Judge O'Farrell assembly.
2. Sponsored the alcohol survey given during a special home room.

WHAT DOES S.A.D.D. NEED FROM YOU?

We need YOUR help to achieve these goals.

AIDES

Audio-Visual Aides

The audio-visual department of the LMC couldn't have ran without the assistance of the A.V. aides. They run T.V.s, V.C.R.s, (Beta and VHS), tape recorders, slide machines, movies and tapes to all over the school. Many times these hard-working people are seen throughout the school running things to who-knows-where! (sometimes they don't know themselves, but nobody's perfect.) These industrious kids give up a study hall to help bring all those extras to your classroom. Thank You!

Library Aides

Have you ever wondered what library aides do? All sorts of jobs! On a daily basis they run errands, work at the circulation desk, shelve books, write overdue notices, and generally help out as needed. Occasionally their talents are needed to help in creating a bulletin board or other display and in processing new books and magazines. By the end of the year library aides know a lot more about using the library, and they have had some fun too!

J. Miklovic

Attendance Office

The office aides do various duties during study halls. They pick up absent cards, deliver absent composite sheets to teachers, deliver principal summons for students to come to the office, filing of absent notes and passes, messages from parents, and summons for counselors, and the placing of information in teachers mailboxes.

Radio Club . . . WHS

Students interested in a broadcasting career find the Radio Club a worthwhile activity, as do those students desiring more practice in public speaking.

Club members act as DJ's, piping music and talk into the student center six periods a day. Student requests are honored, and all selections must be logged each period, just as professional broadcasters do.

The club is also responsible for delivering the morning announcements to the whole school and to the community via cable T.V.

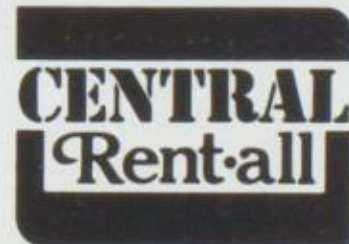

To raise money for album and tape purchases, the Radio Club holds a dance. Proceeds from the dance also go to maintaining equipment. There is a club picnic scheduled for June.

The members of Radio Club are:

Drama Club & Thespians

Thespians

The Thespians society is a national group of actors, actresses and technicians that have learned one important lesson in theater, "Don't do it for yourself, do it for your audience!" All these young people have dedicated themselves both in talent and hard work to the cause of not only bettering themselves but to bringing enjoyment to others.

The WHS Drama Club put on two productions this year, "West Side Story" and "Fame", and they did a fantastic job with each. The drama club is losing a fantastically talented group of seniors this year. A group that not only show unto themselves but that put an aura around all the others who performed with them. With the standard of excellence achieved this year by our drama club it will be almost impossible to measure up in the years to come. Thank you for a fantastic year!!!

Drama Club

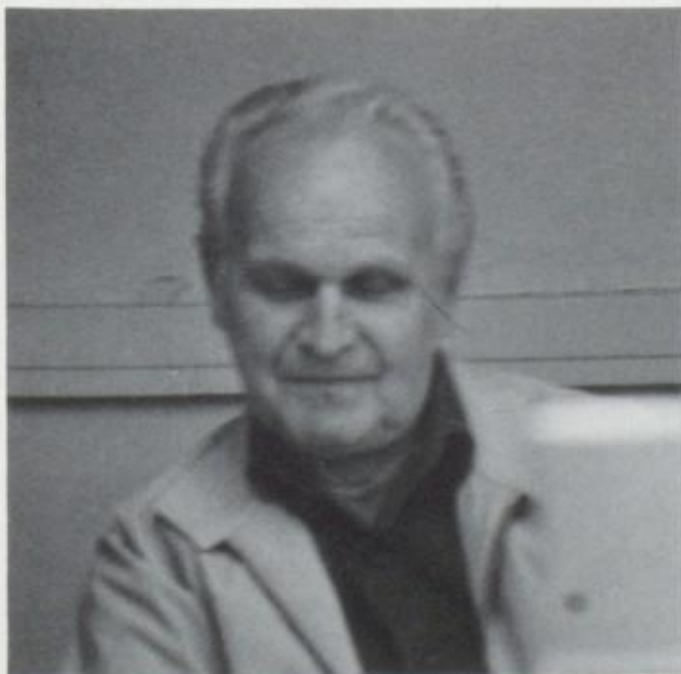

CUSTODIANS

It is because of these warm, wonderful, dedicated people that our school halls and rooms are clean and kept up as best they can under the conditions that are set. The staff is headed by the very busy Mr. Jim Miller, who seems to always have time for everyone.

Mary Robinson and Esther Bremenam. Mary Robinson is retiring after 18 years. Thanks, Ms. Robinson, for all you have done for us.

The Spirit Club was in its infancy this year at Wooster High — rekindled after years of silence. The club did not get rolling until the end of the football season: to the cheers of "GO WOO — BEAT ORRVILLE!!!" Throughout the winter sports season the Pep Club attempted to cheer each and every General team onto victory. Although, this year, the loud chants were not always present, the members tried to give moral support to the teams. In attempt to get the WHOLE school into the VICTORY SPIRIT, the Pep Club sponsored two separate spirit weeks.

In the years to come, the Pep Club is sure to grow in and mature into the Calvary (men and women) behind the GREAT GENERALS! GO WOO — GO GENERALS — ONTO VICTORY!!!

Throughout the year there have been some 110 students involved in one way or another. The guiding force of the Pep Club were:

People-to-People

This past summer seven Wooster High School students traveled overseas with Mrs. Belinda Raff-Angert on the People-to-People tour. The role of a Student Ambassador is to teach people of other countries about America and to break down the stereotypes that have developed about America, as well as to learn about other cultures. This organization was set up by President Eisenhower in order to promote peace and understanding in the world through young adults.

Debbie Snyder, Michelle Barns, Lisa Esterlie, Daneka Newcomer, Mary Arnold, Jennifer Hodges, and Heidi Schafrath traveled to many countries over a six week period. They traveled to West Germany, Austria, Hungary, Yugoslavia, and Italy, as well as Greece. While travelling they stayed with some people and their families in their homes (West Germany, Austria, & Greece). These lucky people, chosen through a strict screening program, were able to tour the ancient world, learning and laughing along the way.

Speech Team

The Speech Team had a great year this year. They not only put on one of the best homecoming dances in recent years but they went on to host a Dinner Theater before the Saturday night performance of West Side Story AND have A great season. The Team, as a whole, placed within the top five at every tournament they attended, placing at least three individuals at each. The Team has grown again this year and they sent 17 qualifiers to State and placed four. The coaches, Ms. Leslie Pearce, Mrs. Sharen Altoff, and Mr. Chris Miester share the enthusiasm of all this year's competitors. This year's team is losing a few dedicated and talented seniors, and it will be hard for next year's group to step into their hard won shoes.

CONGRATULATIONS & GOOD LUCK!!!

This year the WHS Speech Team participated in a nationally opened Tournament in Dayton, Ohio. Most of the Team travelled down to Fairmont-Kettering High School outside of Dayton to compete along with 41 other schools. They had very little free time, so when they had it they spent it well. The Team stopped at the French Market on the way to Dayton for Dinner. At the Hotel there was a swimming Pool and an arcade in which many of the members spent their time. The Team Members & coaches spent alot of time in their rooms and in the auditorium of the High School . . . Practicing!!!

The Team did very well placing 3 people.

The WHS Speech Team hosted their first tournament in four years this year. The Team and coaches worked very hard before and on the 18th of January to pull off a well organized Tournament, with the theme of "The Cards Are in Your Hands — NFL."

What goes on at a Speech Tourney? Well, after the contestants get to school at around 8am Saturday morning, they attend a meeting in the auditorium and procede onto three rounds, where they will receive scores that take them onto placings (or not). Everyone meets new friends and is rewarded for their hard work as well as the closeness that develops with others who get up at 4:30 am Saturday morning!!!

EX- TEMPT

Extempt is a group of loones (just kidding guys) who each Saturday morning, get up to prepare three speeches . . . They write their own each morning in thirty minutes then they must present it to a judge (the average speech is 6 minutes). They speak both foreign and domestic topics. This year they sent one to state (Nick Fynn). He received fifth and Nick has gone to nationals two years in a row.

(Left to Right — Nick Fynn, Heather Zapp, Tim Mills, Becky Hilton, Sam Szemplack, Ted Berry)

HUMOR

Humorous Interp or Humorous is very similar to drama, but has fun not serious connotations to it. A person can take the same script that a drama can but interpret it in a humorous way. These are the teams ECCENTRICS!!! This team took three to state (Blake Bowden, Erin Holman, Faith Coleburn), with Blake placing third there.

(Left to Right — Erin Holman, Blake Bowden, Faith Coleburn, April Buchanan)

DUET

Duet Acting or Duet is just as it sounds. Two people get together and with a published script, act out what is going to be on stage. This is one of the most enjoyable divisions, for you are not alone on stage. This year one team (John Mosher and Thu Vu) went to state competition.

Left to Right, clockwise — Jim Henry, Thu Vu, Kim Snively, Liz Wagner, John Mosher, Angela Richesson, Mary Arnold.

ORIGINAL ORATORY

Original Oratory is an event in which the participants write their own 10 minute speeches and perform them. The speeches are often inspirational and sometimes light and humorous as well. This year two people (Jennie Stoll and Tina Bucher) went to state from 00 and another (Jennifer Hodges) was in final round at big districts.

Clockwise at 12 — Tina Bucher, Jennie Stoll, Melody Conkle, Jennifer Hodges)

Lincoln-Douglas

Lincoln-Douglas debaters or LD are the arguers of the team. They stand on their own each Saturday and debate a pre-chosen topic with their opponent taking both the positive and the negative sides. This year the team sent two to state; Scott Blanchard & Jeff Scott, both tying for 1st in the district.

(from left to right — Jeff Scott, Mike Carson, Scott Blanchard)

TWO-MAN

Two Man Debate or 2-Man is where two people debate together against another team on a prechosen topic. They are given short preparation times throughout the debate to confer. This was the team's first year with 2-Man debate and they sent one team to state; Terry Snoddy & John Mitten.

(clockwise — John Mitten, Geoff Galaster, Lenny Gossard, Terry Snoddy)

Drama

Dramatic Interpretation or Drama is a very challenging event in which the participant takes a play or a novel and tells an entire story in dialogue. The participant is only allowed 10 minutes and she may not move around the room in order to get a point across. This group sent two to state this year; Nora VanLieu — 1st in the district, & Amy Burger

(top to bottom — David Russel, Nora VanLieu W, Amy Burger Y, Tamsen Fynn N)

Oratorical

Oratorical Interpretation or OI is an event in which the participants take a published speech and interpret it for their audience. This was a very large and very talented group this year. They sent one; Courtney Miller, to state this year and she received 6th there.

(clockwise — Amy Johnson, Hiedi Gagnon, Jenny Ramsey, Elizabeth Knorr, Courtney Miller, Shelley Rutter, Megan Archaki, Rick Nibert)

Speech Team

This year's Speech Team Officers were; Blake Bowden — Pres., Annette Long — VP, Tina Bucher — Spirit, Nick Fynn — Tres., Jennie Stoll — Sec., & Jennifer Hodges — Sec. (not pictured). **BELOW**

Each year the Speech Team has an awards banquet at which some highly coveted awards are given. This year's award winners were:

Mike Carson — Outstanding Novice Debator
 Amy Burger & Erin Holman — Outstanding Novice I.E.
Talents
 Scott Blanchard & Jeff Scott — Outstanding Debators
 Nick Fynn — Outstanding I.E. Talent
 Mrs. Shirley Beckler — Special Tribute Award
 Courtney Miller — Outstanding OHSSL Member
 Lisa Lee — Coaches Award
 Jennie Stoll — Outstanding Service Award
 Annette Long — Rotary Award
 Blake Bowden — The 7th Annual Richard Nadline Award

Some special words of wisdom that were shared at this year's banquet by a very special senior were;

"The only constant in life is change.
 Our bodies, our minds, our emotions.
 Only the memories of our experiences stay the same.
 We, as speakers, are obliged to share these memories with those around us.

Go ahead, reach out and share part of yourself with someone else.

Go ahead — grow!" BSB

STATE!

This year the Speech Team had 17 state qualifiers, four of who placed at the state tourney. They were; Blake Bowden — 3rd in HI, Nick Fynn — 5th in exempt, Jeff Scott — 5th in LD, & Courtney Miller — 6th in OI.

The State Tournament was held at Austintown High School this year, and, not only was the actual tournament exciting, but the stay at the Hotel was also fun. Unfortunately, after the tournament everyone realized that this was the last tournament for the seniors.

Prose Poetry

Prose Poetry or PP is a division that requires similar talents to Drama. In Prose Poetry a person chooses a selection of prose with a theme and then chooses some poetry to go along with it. These people then read their pieces, interpreting them either dramatically or by just telling it as if it were in their own words. This year Prose Poetry sent two people to state competition (Lisa Lee & Julia Warnes), and next year's division promises to be very strong.

(Annette Long, Lisa Lee, Julia Warnes, Dennise Lockwood, Shelly Marsh)

SPANISH CLUB '85-'86

The Spanish Club was very busy this year with fun and educational activities to keep their large group occupied. To encourage the Christmas season, the group collected and distributed cans of food for charity. Educating this club came by way of a presentation by Miguel Valencia from the C.O.W. on Columbia. They also saw the movie "Carmen." They also invited other clubs in the area to come see the movie. Other activities included: the annual Chi-Chis trip, a Christmas party and caroling, banquet, and a picnic in spring. The officers were: President — Sarah Khalil, Vice-President — Katy Johnston, Secretary — Mary Hooker, Treasurer — Drew Paul, and Co-Socials — Faye Akam, Paul Johnides, Tina Rose, Ric Musselman. The advisors were: Mrs. Roque, Mrs. Miller, and Mrs. Ueltschy.

GERMAN CLUB '85-'86

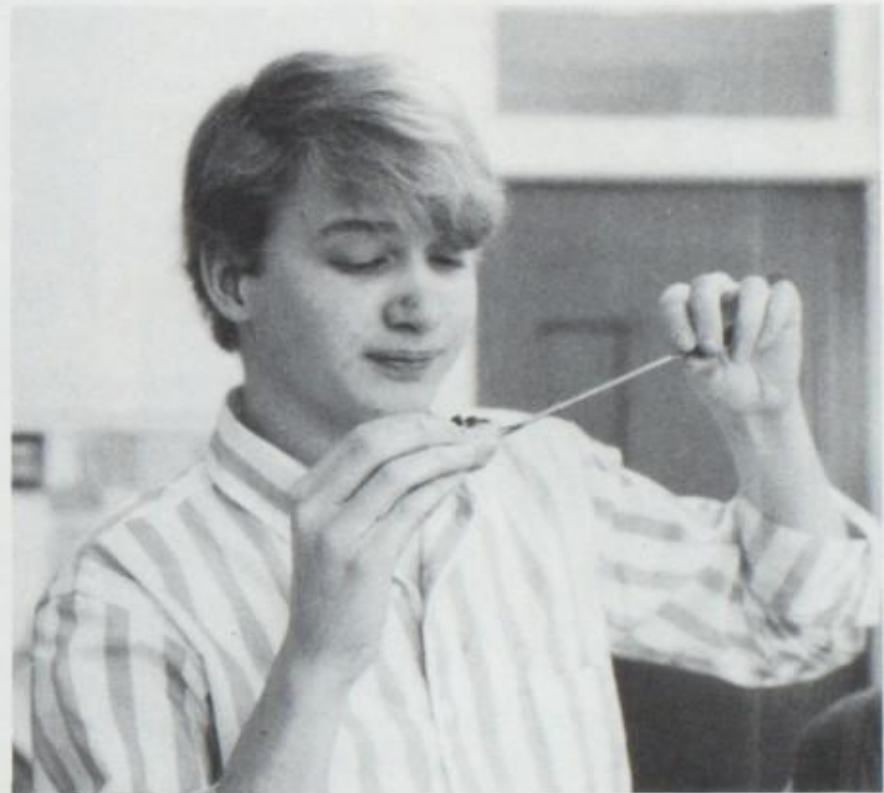

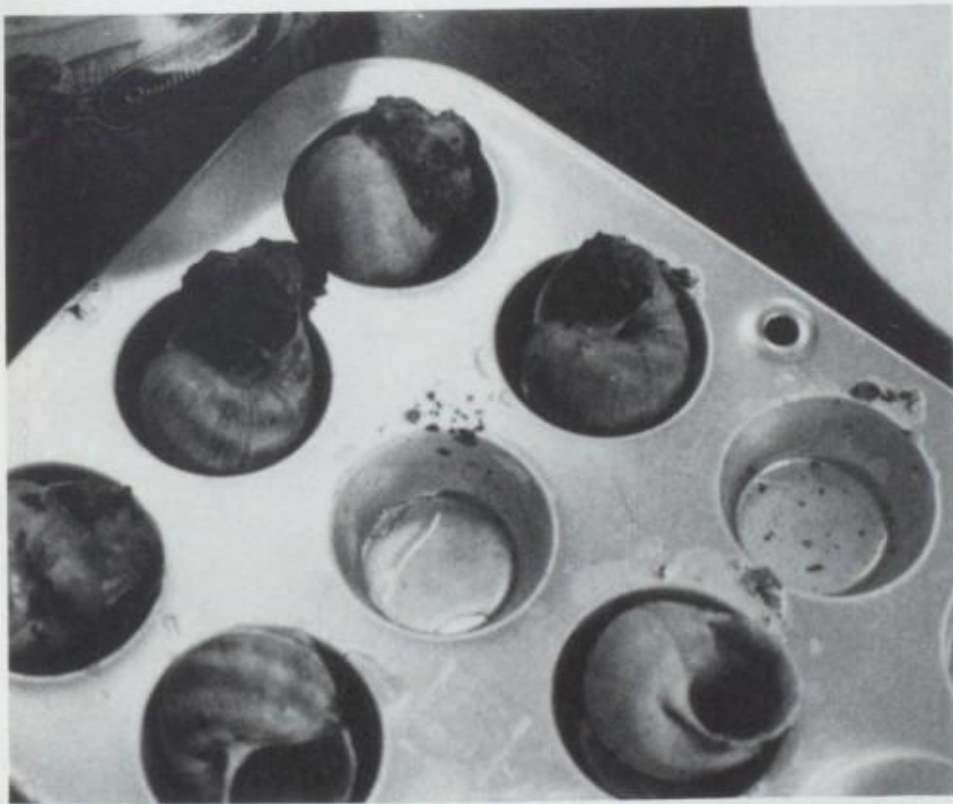

GERMAN CLUB 1985, 86

OFFICERS: Advisor: Jim Caputo
President: Jeff Scott
Vice-Pres.: Courtney Miller
Secretary/Tres.: Kelly Walker

The German Club was much more successful than in previous years. We had a very successful Gummy Bear Sale and many club meetings. Hopefully we will grow next year and be able to have extra activities.

FRENCH AND LATIN CLUBS

French club has had a good year. Members raised funds for activities during the fall and winter. The club sold food and drinks at the fall production of *WEST SIDE STORY*, candy canes with messages at Christmas, and a dance sponsored in February with a live band. These successful fund raisers allowed the club members to have two parties and to go on a field trip. The first party's theme was French food; the second's theme was an afternoon of movies. *THE RETURN OF MARTIN GUERRE* is a complex and intriguing film dubbed from French, and *THE PINK PANTHER* was the second feature film. In April, there was a field trip to a French restaurant in Akron, La Maison Mastel. The food was good and it was a neat experience. French club has had a fun and enjoyable year.

The 1985-86 Latin club had some problems starting out, but they were able to get an activity off the ground by planning a successful trip to the Cleveland Museum of Art where they learned about Roman and Egyptian art. Although it was the only big activity, the Latin club is hoping to plan other trips and possibly some fund raisers for next year.

National Honor Society

National Honor Society's members are selected on the basis of four criteria: scholarship, leadership, character, and service. The main function of the organization is to provide some service to the school or community. At WHS, it has become the tradition for NHS members to tutor other students in academic subjects. The tutoring program has become quite extensive, with almost every NHS member working with at least one or two students some time during the year. NHS also sells poinsettias at Christmastime and puts on a dance to raise money. The year is wrapped up with a formal banquet, which includes the induction of new members.

Close-Up

A TRIP TO WASHINGTON

From April 27th to May 3rd, twenty-seven Wooster High School Students spent a week in Washington, D.C. as a part of the Close-Up program. Close-Up is a program designed to expose students to the intricacies and idiosyncrasies of the United States Government. Through a series of tours, lectures, and seminars the students are introduced to the basic operations of government and its effects on the nation and the world. The program attempted to present both sides of the issues covered to enable the students to form their own opinions. Close-Up was not entirely academic, with plenty of free time for personal exploration of the city as well as planned entertainment, such as a Broadway show, dance, talent show, and sightseeing tours. Similar groups from Chicago and Washington State gave an opportunity to meet many new people from different parts of the country. All in all Close-Up was a learning experience; not only from the governmental point of view, but also from a social standpoint. Participants returned knowing themselves and their friends a whole lot better. It lets out the "Irish" in everyone. It will be a lifelong memory.

General Staff

What's the Scoop?

The Wooster High School GENERAL Tells All

Although 1985-1986 wasn't one of the best years in GENERAL history, members of the newspaper staff worked hard to put five out of a projected nine issues into print. This year, the staff also focused on working to achieve quality rather than quantity. While not perfect, the GENERAL staff started out the year optimistically and with an open mind. Some new avenues were explored, such as using the computers in the high school to print the paper.

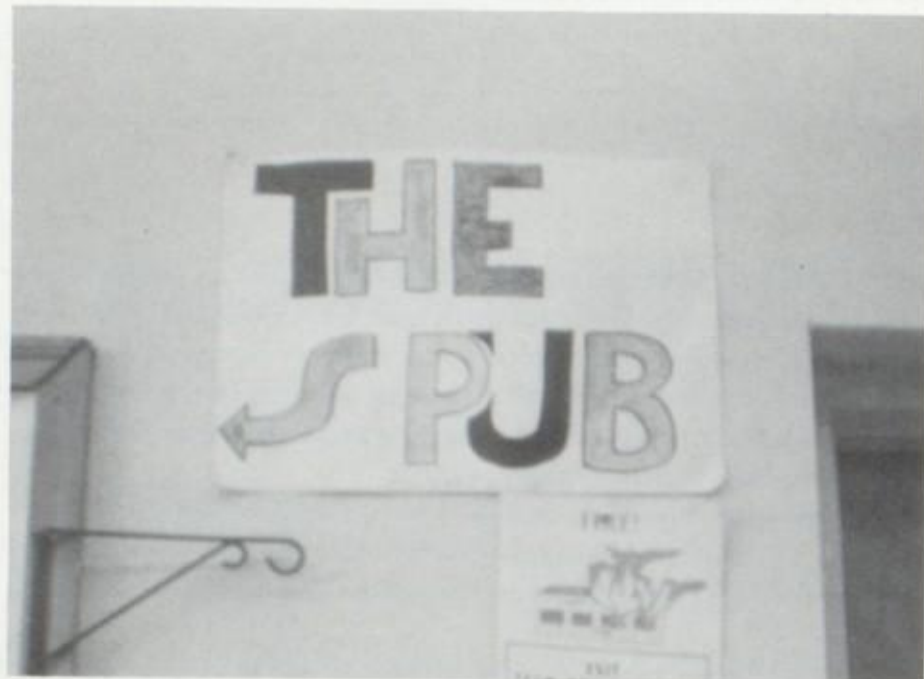

One of the biggest challenges this year was working to raise money for the paper. Breaking the tradition of sponsoring a hat dance, the GENERAL staff opted for a Halloween costume dance, complete with a "haunted hallway." The staff also went on two advertising campaigns in the fall and the spring, and spent a Saturday in March outside of Buehler's downtown, passing out papers and accepting donations.

There were a lot of interesting things happening at W.H.S. in 85-86. Some of the year's highlights include: having a student participate in the McDonald's All-American High School Band; an exciting Homecoming weekend; the fall musical production of WEST SIDE STORY; the addition of some new organizations at Wooster, such as Pep Club, Bike Club and Students Against Driving Drunk; the second year of the Coming Home weekend; a successful year in sports; and Prom '86.

Hopefully, the newspaper staff will have a great year in 86-87. With only four members graduating this year, the GENERAL will be in the good hands of a very experienced, motivated and hardworking staff.

MAJORETTES

Leading the Homecoming parade with style.

Head Majorette Kim Tyson.

Kim Schuch.

Head Majorette for this year was Kim Tyson who dazzled football audiences by twirling fire and multiple batons. The other majorettes: Debbie Raudebaugh, Kim Schuch, Michelle Knapp, and Beth Burdno, also twirled fire and 2 batons at a time, plus performing talented dance routines. These hard working girls thrilled the half-time audiences throughout the football season, at parades and for school pep rallies.

FLAG CORPS

Annette Long and Andrea Nolan.

The Flag Corps, led by Carriann Koenig, showed marked improvement in their style, though they've always had style. They worked long hours before and after school to get the routines together. All this hard work payed off during their performances. They twirled sticks that glowed in the dark which gave the show a different appeal and they danced up a storm during ALL the shows.

The flag corps gets casual during the pre-homecoming game pep-rally.

Molly Gingery and Denise Bowers bring up the rear of the homecoming parade with a smile.

WHS SYMPHONIC BAND

The W.H.S. Symphonic Band continued their tradition of excellence. Under the direction of Mr. Scatterday, the Symphonic Band proved that they earned their reputation as one of the best bands around. They traveled to Toronto, Canada where they placed 1ST in sight readings AND in prepared piece. Obviously the Canadians were stunned, but we at W.H.S. know that the extremely hard-working members of this elite group of musicians can wow any audience.

The W.H.S. Concert Band, under the careful direction of Mr. Rodenfls, had a very successful year. They went to Cedar Point and wowed audiences who came to hear them play. They placed 1ST in all their contests and went home happy. The band practiced long and hard. With sectionals before school, practicing in the band room during study halls in school and rehearsals after school, the band kept very busy. But what do you expect from such an outstanding group?

Cafeteria Workers

Come and get it!! They call from 11:22 to 12:52 and we pack into the cafeteria at our appointed times. Before and after the lunch period though many hours are spent in the preparation of the food and the cleaning of the cafeteria. So, thanks to them we have a clean place to eat the food they prepare for us. Thanks!

Chorale

Under the direction of their new conductor, Gene Lehman, the WHS Chorale experienced an abundance of public exposure. Throughout the year, while growing in number, the quality of the Chorale steadily improved.

For the Christmas season the Chorale sang at Quaker Square in Akron, gave a public concert in the auditorium, and entertained the Rotary, Lions, and Kiwanias at the YMCA. Other activities included Solo and Ensemble, District Choir Contest, Spring Pops Concert, and a special program at Edgewood.

Homecoming mums were sold to raise money as well as citrus products. Watch out next year for this group because their talents and hard work will carry them to new heights of success.

Show Choir

The Show Choir was one of the newest groups to WHS this year. This song and dance troupe was selected from the Chorale. Gene Lehman directed the ten member ensemble and choreography was done by Stephanie Faulkner.

The Show Choir performed their 25 minute show, AMERICAN POP, for dinners, luncheons, and resthomes around the community.

Members at work on a project

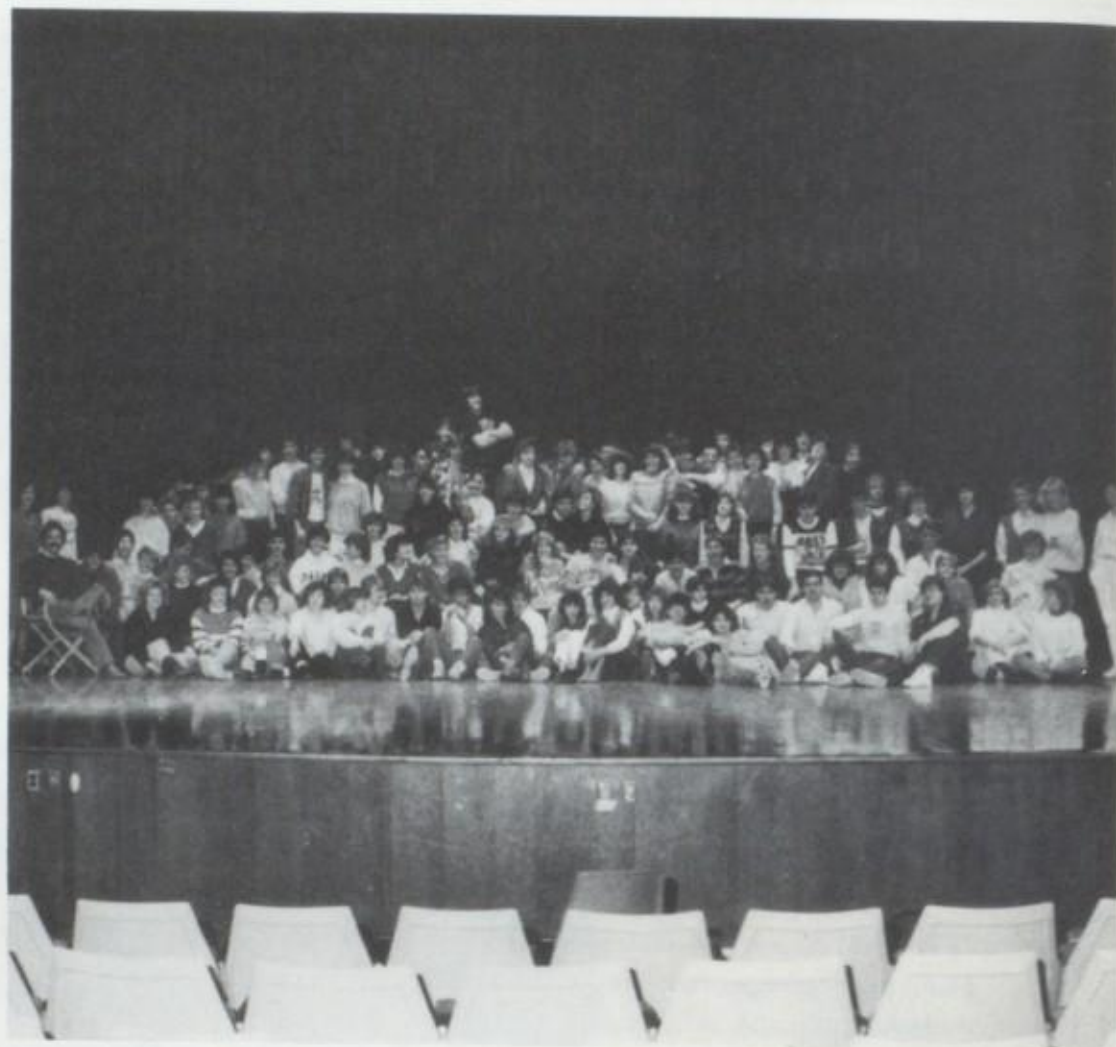

The F.H.A. is a new club at W.H.S. this year. The program provides opportunities for leadership development through group and individual activities. Their goals are to help the members assure their roles in society through home economics education in areas of personal growth, family life, vocational preparations, and community involvement.

Future Homemakers of America grew out of various state and local high school home ec. clubs. Any student who has taken, or who is taking a home ec. class may join. The purposes are: to provide opportunities for self development and preparation for family and community living and for employment to strengthen the function through cooperative action in the home and community, to institute programs promoting greater understanding between youth and adults, to provide opportunities for decision making, and for assuming responsibility to become aware of the multiple roles of men and women in today's society, and to develop interest in home economics, careers, and related occupations. Advisor: Mrs. Smith, Officers: Molly Gingery, Chapter president; Trina Miller, vice president; April Miller, Secretary; Cheryl Maxwell, treasurer; Debbie Egner, representative.

Ski Club

The Ski Club for this year, again, was a very large group. There were approximately 150 students who joined in for five weekly visits to Clear Fork Ski Resort in Butler, Ohio. There were three buses transporting High School students and one for the Junior High School students. The group was led by Mr. Rostetter, and advisors Mrs. Margin, Mrs. Angert, and Mrs. Fraunfelder. Clear Fork challenged new and experienced skiers alike. Many students had their tumbles and crashes. A few even lost a ski, oh well! But luckily, we had no serious injuries this year! Ski Club offered these students some recreation during this winter season.

High School Contributions and Achievements

Well, what can we say? The class of 1986 has been one of the most academic, artistic, and athletic classes at Wooster High School.

In our class we have a large number of students in the advanced placement classes and in the National Honor Society. To add to these accomplishments, we have two National Merit semi-finalists and several students who have participated in the state level competition of History Day, as well as Girls' and Boys' State.

The class of 1986 has been very active with performing arts. In the performances of West Side Story and Fame, our seniors dominated the cast of these two magnificent plays. The class members in the Music Department have helped develop a national reputation of musical excellence for Wooster High School.

In athletics, the class of 1986 has left its mark. Wooster's football, boys' and girls' basketball teams, baseball, boys' tennis, boys' swimming, and volleyball have earned a total of seventeen Cardinal Conference titles with seniors as members. Conference titles have also been earned by soccer and girls and boys' swimming teams. Teams that have had many '86 participants have competed at district and state levels.

Seniors have played a large role in the spirit activities of our school. We took first place in the homecoming float contests three out of the four years that we were at the high school. The theme of the '85 prom was "Ice Cream Castles," which was not only fun to put on but very successful. Mr. Ladd said that our prom was one of the best he had ever seen.

The above are a few of the contributions of the class of 1986. We could not have accomplished these feats without each class member, the faculty, support staff, and underclassmen who often lent their support and encouragement to us. We would also like to thank the parents of the seniors for all the help, encouragement, and support they have given us through our high school years.

We would especially like to thank Coleman Knight and Portia Pyle for the long hours they have spent, of their spare time to help us in all of our activities. We could not have accomplished our goals without their persistence and advice.

As your class officers we would like to say good luck to all the seniors and may that luck help your ventures in post-graduation endeavors. Let us all continue to excel in academics, the arts, athletics, work . . . and play.

If College is the dream, we can help...

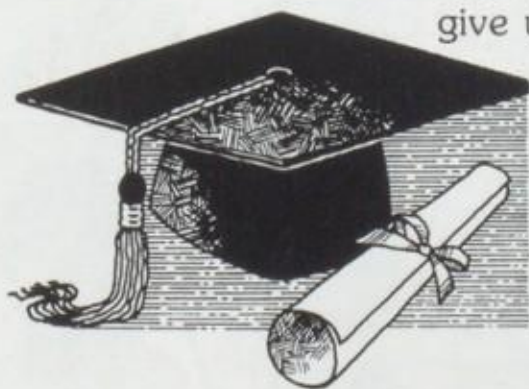

High School Graduation is just the beginning. An entire world of opportunity awaits those who pursue their dreams. And, if a college education is included in those dreams, we can help.

Our Guaranteed Student Loan Program has helped hundreds of area residents to obtain their college degrees, and whether your dreams are for your college education or your child's, chances are we can help you, too.

If you meet certain requirements, you may borrow as much as \$2,500 per academic year up to a maximum of \$12,500 to cover undergraduate education expenses. The interest rate charged on your loan is a low 8% Annual Percentage Rate. And while you're completing your education, the interest on your loan is paid by the Federal Government. Repayment doesn't begin until six months after you graduate or leave school.

If a college education is in your future, but seems unattainable, give us a call. We'll show you how our Student Loans can help to launch you on your path to success.

Above, Tara Woodward sets a bump for Susie Morris to spike it at the Regional tournament at Jackson. At upper right, Laura Richmond set-spikes a ball, also against Canton McKinley.

The 1985-86 Wooster High School Volleyball team coached by Chuck Aten, experienced a very successful year, racking up the Cardinal Conference title for a 2nd year in a row, Sectionals for a 2nd year in a row, and District runner-up.

Girls that made the Cardinal Conference teams included; on 1st team: Jill McCreary, Laura Carter, and Laura Richmond; 2nd team members included Susie Morris and Marianne Fischer with Clay Price getting an honorable mention.

In District #4, Jill McCreary made 1st team; Laura Richmond and Tara Woodward were on 2nd team with Susie Morris receiving an honorable mention.

Show tournament All-Star team was graced by the presence of Jill McCreary and Laura Richmond on 1st team.

The Akron Beacon Journal named Jill McCreary on their All-Star team along with the All-Ohio State team. Laura Richmond received an honorable mention on the All-Ohio State team.

Oddly enough, there were no seniors on this year's team but the 6 Juniors and 4 Sophomores will return next year to begin another dazzling year on the Volleyball team.

FOOTBALL

Below, an illustrated Jeff Kapp passes the ball.

Right, Hoang Ngnyen rushes for the end zone.

FOOTBALL

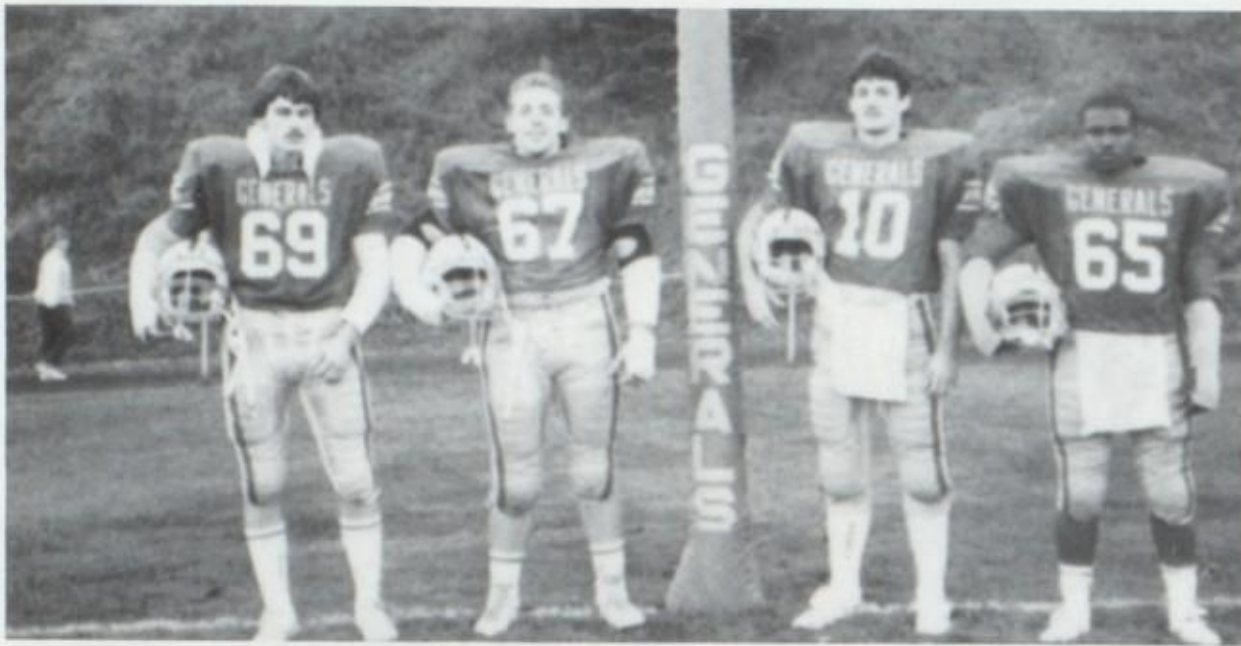

The 1985 season began with a 22-0 win over Mansfield Senior. This victory was followed by three more wins: a 20-6 win over Triway, a 31-6 win over Jackson, and a 32-8 win over New Philly. In their 5th game, the Junior Generals lost a hard-fought game to Ashland 6 to 2. They bounced back the next two weeks with a 27-26 win over Dover and a 6-0 win against Mansfield Madison. In their last two games, the J.V.'s were beaten by Canton-McKinley (14-0) and Canton-Timken (26-21). Their 6 win 3 loss season was a reflection of their steady improvement and hardwork.

The Freshman Football team had a total of (4) four runs and (3) three losses. Their wins were Dover with nothing and Wooster 6. Twiway also with nothing and took 7 madison also not scoring with Wooster 32 Their losses were to Orrville the score, 0-28. Malabar was another team we let win the score 0-20. Mcinnley got a win from us; score us 22 them 44. At bottom center, the Wooster Mothers played a big part this year with all their help and support.

SOCCER

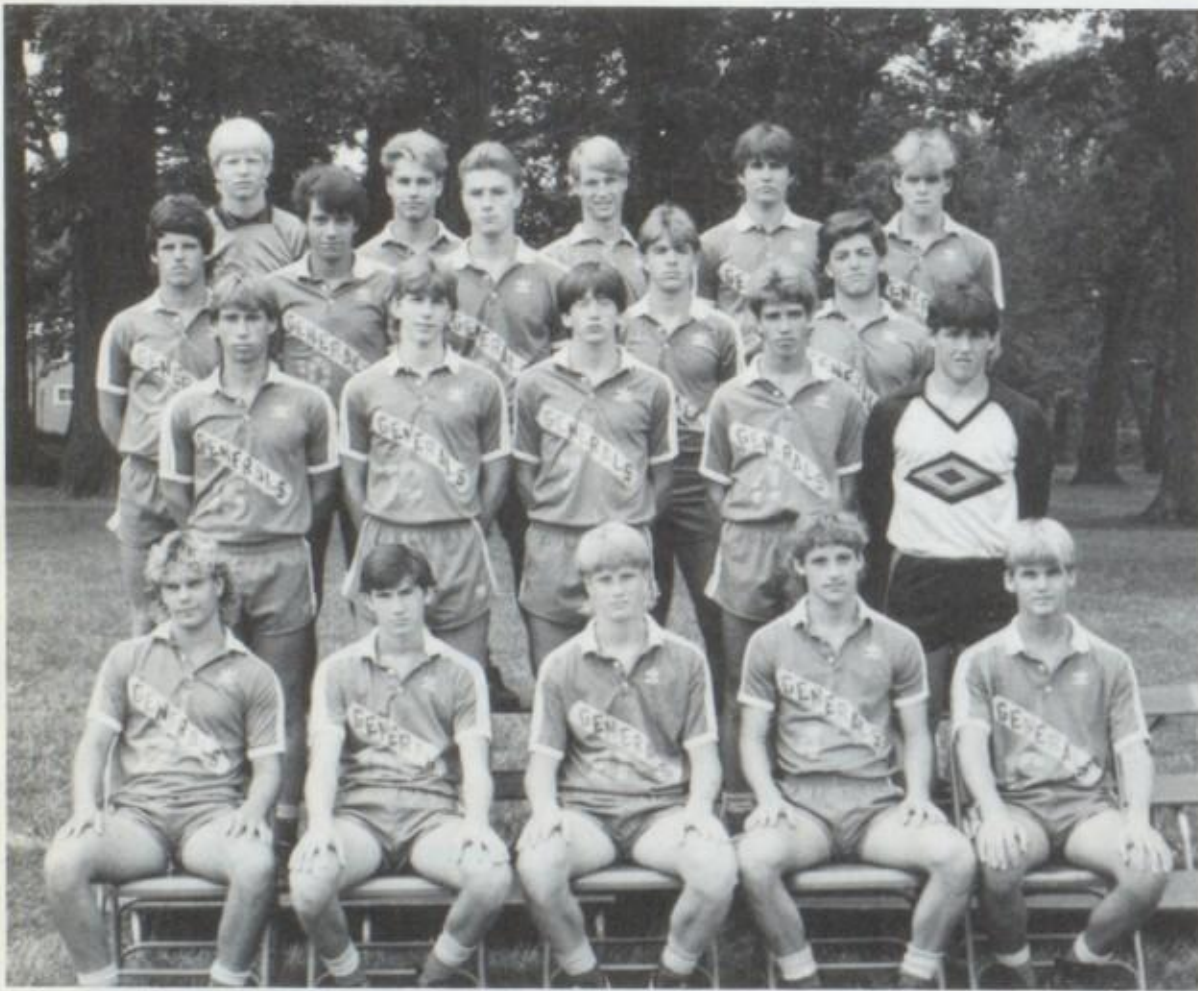

In 1985, the high school soccer team made the move to Division I, Northeast Ohio Soccer. By doing so, the thinking was to simply play the best possible teams available. The team had an overall record of ten wins, five losses, and four ties. It was a relatively young team, but it did give the athletes an opportunity to play top level competition. Because of the move to Division I, the team should have the confidence to deal with most competition in general, and their performance holds well for the future. The team only allowed seventeen goals in nineteen games. Kelly Snyder lead the offensive punch with fifteen points, while Matt French had seven shutouts.
